

PATHWAY HIGH

Transforming Education and Empowering Students to Own their Path!

A small UW-Milwaukee charter High School that serves 9th - 12th graders.

Why Pathways High?

Personalized education that aligns student passion with academic excellence

Our curriculum emphasizes real-world relevance with Project-based Learning (PBL), ensuring students gain both theoretical knowledge and practical skills. The IMPACT Experience connects students with professionals and community leaders, offering insights and valuable networks for their future endeavors.

Small School/Class Sizes

18 : 1 Student to Staff ratio. An intentionally small community dedicated to meeting the needs of every student.

College and Career Support

Exclusive Optional 5th year - 12 free college credits while providing support and guidance.

Free for every student

Open House Date

Explore the possibilities of education by visiting our campus, and engaging with staff and students.
