INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Pathways High, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Pathways High, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Pathways High, Inc. as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pathways High, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pathways High, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pathways High, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pathways High, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal and state awards and the University of Wisconsin-Milwaukee schedule are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal and state awards and the University of Wisconsin-Milwaukee schedule are fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 25, 2022, on our consideration of Pathways High, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Pathways High, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Pathways High, Inc.'s internal control over financial reporting and compliance.

Note 1 - Summary of Significant Accounting Policies

Nature of Activities

Pathways High, Inc. (the “Organization”) is a non-profit, non-denominational and non-sectarian charter school open to all high school students in the greater Milwaukee area and operating under a contract with the University of Wisconsin-Milwaukee. Pathways High School provides diverse students with a learner focused, innovative structure for academic and holistic success through the implementation of a project-based learning model and a commitment to the development of individual traits and skills.

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles (“US GAAP”) and the provisions of Accounting Standards update 2016-14 Not-For-Profit Entities (Topic 958): *Presentation of Financial Statements of Not-For-Profit Entities* which requires the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and are available for use in carrying out the activities of the Organization.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and Organization grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

Use of Estimates

The preparation of the accompanying financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that directly affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reported period. Actual results may differ from these estimates.

Functional Expense Allocation

The costs of providing the program and supporting service activities have been summarized on a functional basis in the statement of activities. Some of these costs have been directly charged to the activities whereas other expenses that are attributable to both program and supporting services require allocation on a reasonable basis that is consistently applied. Management and general costs are allocated based on estimates of time and effort.

Pathways High, Inc.
Notes to Financial Statements
Years Ended June 30, 2022 and 2021

Note 1 - Summary of Significant Accounting Policies (continued)

Cash and Cash Equivalents

For purposes of the statements of cash flows, cash includes amounts on hand and amounts on deposit at financial institutions in checking and savings accounts.

The Organization considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents. The Organization had no cash equivalents at June 30, 2022 or 2021.

Grants Receivable

Grants receivable includes amounts for revenue from grants earned, but not yet received, as of year-end. No allowance for doubtful accounts is considered necessary as of June 30, 2022 and 2021. If amounts become uncollectible, they are charged to operations in the period in which that determination is made.

Property and Equipment

All property and equipment acquisitions in excess of \$5,000 are capitalized, whereas costs of maintenance and repair are charged to expense as incurred. Purchased property and equipment is recorded at cost and depreciated over the estimated useful lives of the assets using the straight-line method. Donated capitalized property is recorded at the estimated fair value at the date of donation.

Revenue Recognition

The Organization recognizes revenue from exchange transactions when the service is performed. Revenue from performance obligations satisfied at a point in time consists of the following:

Rent revenue is recognized in the month in which it is earned rather than received. Rent payments received in advance are deferred until earned.

Revenue from non-exchange transactions consist of the following:

Contributions, including promises to give, are considered conditional or unconditional, depending on the nature and existence of any donor or grantor conditions. Conditional contributions are recognized when all barriers to entitlement are overcome. Unconditional contributions are recognized as revenue when received or promised.

Contributions received with donor-imposed or grantor-imposed restrictions that are met in the same year in which the contributions are received are classified as net assets without donor restrictions. All other donor-restricted or grantor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Revenue that has characteristics of both exchange and non-exchange transactions consist of the following:

Special event revenue includes contributions (non-exchange) for the events and fees charged (exchange) to participants. The cost of direct benefits to donors are deducted to arrive at net special event revenue.

Pathways High, Inc.
Notes to Financial Statements
Years Ended June 30, 2022 and 2021

Note 1 - Summary of Significant Accounting Policies (continued)

Revenue Recognition (continued)

Grants and government contracts are recorded as contributions or exchange transactions as determined by the criteria in the contract or grant award. Those that are considered contributions are recognized as revenue in the period when the related expenses are incurred or as the contribution is received. Amounts received in which conditions have not been met are reported as a refundable advance liability. Grants and contracts that are considered exchange transactions are recognized as revenue in the period the service is performed.

Donated Services

No amounts have been reflected in the financial statements for donated services. The Organization generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization with fundraising campaigns and program services.

Income Taxes

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and has been classified as an organization other than a private foundation.

The Organization follows accounting for uncertainty in income taxes which describes a recognition and measurement of a tax position taken or expected to be taken and also provides guidance on derecognition, interest and penalties, and disclosure. Management has reviewed all tax positions taken, if any, and those expected to be taken in future tax returns. As of June 30, 2022 and 2021, the Organization had no amounts related to unrecognized income tax benefits and no amounts related to accrued interest and penalties. The Organization does not anticipate any significant changes to unrecognized income tax benefits over the next year.

The Organization is not subject to U.S. federal income tax examinations for years ending before June 30, 2019.

Note 2 - Property and Equipment

Property and equipment consists of the following:

	2022	2021
Land	\$ 33,485	\$ 33,485
Land improvements	39,755	39,755
Building and improvements	1,532,152	1,414,519
Construction in progress	26,995	13,545
Computer software	31,485	31,485
Fixtures, furniture and equipment	43,801	43,801
	1,707,673	1,576,590
Less: accumulated depreciation	(113,129)	(63,561)
Net Property and Equipment	\$ 1,594,544	\$ 1,513,029

Pathways High, Inc.
Notes to Financial Statements
Years Ended June 30, 2022 and 2021

Note 3 - Line of Credit

As of June 30, 2022, the Organization has available a line of credit from Old National Bank in the amount of \$100,000. Interest is paid monthly at the Prime Rate as published in the Wall Street Journal, but not less than 3.25% per annum. The line of credit expires in December of 2023. As of June 30, 2022, no balance existed on the line of credit. This is secured by a commercial security agreement.

Note 4 - Long-Term Debt

The Organization has a commercial real estate loan with Old National Bank for the purpose of financing the property and improvements for the new charter school building. The loan has a term of five years and interest rate of 4.10%. Interest-only payments were made during construction, principal and interest payments of \$7,477 began in October 2020. The loan matures in September 2025 and is secured by a first priority real estate mortgage on the land, building, and improvements. The note is personally guaranteed by two board members. The mortgage payable consists of the following:

	2022	2021
Mortgage payable - Old National Bank	\$ 911,381	\$ 962,062
Less: Unamortized debt issuance costs	(3,945)	(4,250)
Less: Current portion	(52,774)	(50,629)
Net mortgage payable	\$ 854,662	\$ 907,183

The future scheduled maturity of long-term debt is as follows:

Year Ending 6/30	Amount
2023	\$ 52,774
2024	54,915
2025	57,337
2026	746,355
Thereafter	-
Total	\$ 911,381

Note 5 - Net Assets With Donor Restrictions

At June 30, 2022, net assets with donor restrictions of \$6,839 is designated for the Book Study program. At June 30, 2021, there are no net assets with donor restrictions.

Pathways High, Inc.
Notes to Financial Statements
Years Ended June 30, 2022 and 2021

Note 6 - Liquidity and Availability

The Organization does not have a formal liquidity policy but generally maintains financial assets in liquid form such as cash for approximately one month of operating expenses. The Organization can rely on a lower cash balance as it is funded through quarterly allocation of per pupil aid and cost reimbursement grants. Under cost reimbursement grants, once expenses are incurred an organization can request reimbursement from the funding source. In August 2021, the Organization also established a line of credit of \$100,000 which it can draw upon in the event of a liquidity need.

Financial assets available for general expenditure, that is, without donor or other restrictions or designations limiting their use, within twelve months of the statement of financial position date, comprise the following as of June 30, 2022 and 2021:

	2022	2021
Cash	\$ 276,999	\$ 159,901
Grants receivable	19,526	34,489
Other receivables	129	353
Subtotal financial assets	296,654	194,743
Less contributions with donor restrictions	(6,839)	-
Financial assets available to meet general expenditures within one year	\$ 289,815	\$ 194,743

Note 7 - Retirement Plan

The Organization has a 403(b) retirement plan for all employees that work 20 hours or more per week and after a full year of employment. The Organization can match up to 2% of the employee's total compensation as defined by the plan document. The contribution will be made in the summer following a completed school year of employment. The total contributed by the Organization during the year ended June 30, 2022, was \$10,972. The Organization did not contribute during the year ended June 30, 2021.

Note 8 - Concentration of Cash

The Organization maintains depository relationships with Old National Bank, and the Organization's balances at times exceed the Federal Deposit Insurance Corporations (FDIC) limit of \$250,000. At June 30, 2022 the Organization's uninsured cash balances totaled \$72,063. At June 30, 2021 there were no uninsured cash balances.

Note 9 - Concentration of Revenues

During the years ended June 30, 2022 and 2021, the Organization received 86% and 89% of its total support and revenue from its charter school contracts with the State of Wisconsin Department of Public Instruction.

Pathways High, Inc.
Notes to Financial Statements
Years Ended June 30, 2022 and 2021

Note 10 - Conditional Grants

Certain grants may be considered conditional contributions upon which the revenue is recorded as the allowable qualifying expenses are incurred. For the year ended June 30, 2022, the conditional grants are as follows:

Conditional grant amount	\$ 1,090,530
Previously recognized	-
Currently recognized	<u>(3,000)</u>
 Total remaining conditional balance	 <u><u>\$ 1,087,530</u></u>

Note 11 - Subsequent Events

The Organization has reviewed the results of operations for the period of time from its year ended June 30, 2022 through October 25, 2022, the date which the financial statements were available to be issued.

Pathways High, Inc.
Notes to Schedule of Expenditures of Federal and State Awards
Year Ended June 30, 2022

Note A - Basis of Presentation

The accompanying schedule of expenditures of federal and state awards (the Schedule) includes the federal and state grant activity of Pathways High, Inc. under programs of the federal and state government for the year ended June 30, 2022. Because the Schedule presents only a selected portion of the operations of Pathways High, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of Pathways High, Inc.

Note B - Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

To the Board of Directors of
Pathways High, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Pathways High, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statement of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 25, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Pathways High, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Pathways High, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Pathways High, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Pathways High, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE
FOR EACH MAJOR STATE PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY
THE WISCONSIN DEPARTMENT OF PUBLIC INSTRUCTION

To the Board of Directors of
Pathways High, Inc.

Report on Compliance for Each Major State Program

Opinion on Each Major State Program

We have audited Pathways High, Inc.'s compliance with the types of compliance requirements described in the *Wisconsin Public School District Audit Manual*, issued by the Wisconsin Department of Public Instruction, that could have a direct and material effect on each of Pathways High, Inc.'s major state programs for the year ended June 30, 2022. Pathways High, Inc.'s major state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Pathways High, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major state programs for the year ended June 30, 2022.

Basis for Opinion on Each Major State Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the compliance requirements of the Wisconsin Department of Public Instruction in the *Wisconsin Public School District Audit Manual*. Our responsibilities under those standards and compliance requirements are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Pathways High, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major state program. Our audit does not provide a legal determination of Pathways High, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Pathways High, Inc.'s state programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Pathways High, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, Government Auditing Standards, and the *Wisconsin Public School District Audit Manual* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Pathways High, Inc.'s compliance with the requirements of each major state program as a whole.

In performing an audit in accordance with generally accepted auditing standards, Government Auditing Standards, and the *Wisconsin Public School District Audit Manual*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Pathways High, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Pathways High, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the *Wisconsin Public School District Audit Manual*, but not for the purpose of expressing an opinion on the effectiveness of Pathways High, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not

identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the *Wisconsin Public School District Audit Manual*. Accordingly, this report is not suitable for any other purpose.
