

PATHWAY HIGH

Looking for an Engaging & Personalized High School?

Unleash your Potential NOW!

Serving **9th - 12th grade** students in the Milwaukee region

Why Pathways High?

Personalized Project-Based Learning (PBL)

Engaging curriculum focused on real-world projects supports the development of both academic knowledge and high-demand life skills. Our classrooms are connected with industry professionals and community leaders, providing students with valuable insights and networks that open doors to opportunities.

Small School/Class Sizes

17 : 1 Student to Advisor ratio.

A strong sense of belonging is gained by being in the same multi-age advisory over four years.

Free College Courses & Optional IMPACT/5th Year

Students can take college courses at local universities while in high school. Additionally, we offer a 5th year option where students can pursue 12 free college credits and internships while being supported by a dedicated advisor.

Tuition-free public charter school authorized by UW-Milwaukee
