The PUMA Times

Weekly Pathways High Family Newsletter

Mission

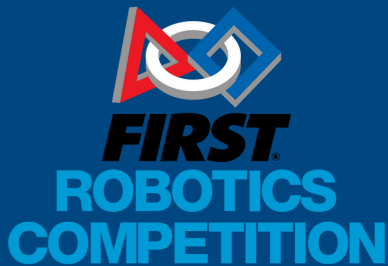

To unleash ALL learner's potential. NOW.

Vision

All of our graduates will use their unique talents to boldly and positively impact the world.

Happening Now at Pathways High!

IMPACT experiences, student success stories, culture building, and more.

Student Spotlight!

Zaire, a sophomore at Pathways High, recently participated in the First® Robotics competition in Milwaukee where his team, Cybercheese, took home second place! Way to put those Pathways High problem solving skills in action, Zaire! Pathways High students excel at FIRST competitions because they have gained not only the robotics skills but also the leadership and collaboration skills to thrive.

IMPACT Experience

What better way to spend a snowy day than by tubing! Students in the *Watching the Gods Play Chess* seminar got to spend the day applying what they've learned about conservation of energy, pushes and pulls, and the forces of nature in the real world, while still having lots of fun!

Parents and Guardians:

Your student(s) were given re-enrollment forms in the past weeks during advisory. Please be sure to fill out the form and have it returned to the front desk. If your student does not have a form, please reach out to Michelle, (mraynier@pathwayshigh.org) to be emailed a copy. Forms are due this coming Monday, March 3rd. Thank you!
